Disclaimer: we can provide general information on government guidance/policy changes, but can’t really dispense legal advice to individuals on their own, individual, immigration situations. Every situation has its own unique complexities, which are often significant, and may require individuals to seek their own legal counsel.
Recent changes or rumors in visa/immigration rules
Recent changes in visa / immigration rules

1. How F, J, and H1B visas will be affected by current changes?

2. We heard that Trump plans to ban non-immigrant visa holders (J1, H1B, etc) from re-entering US or renewing their visa in 2020. How accurate is this?

3. Are there any updates from the White House on visa restrictions on the coming months?

4. What should we do to keep updated for those changes?

5. Will some officials notify the affected individuals about their change in legal status?
